

Music

A licensed music teacher will teach the toddler through Kindergarten students each week. During this session, children will learn basic music theory, developmentally appropriate songs, and develop an appreciation for music.

Chapel

Music, prayer, and Bible stories are incorporated in all classes. The three-year-old, pre-kindergarten, and kindergarten classes will attend chapel once a week. Children will sing songs and role play as they listen to Bible stories.

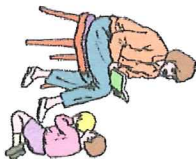

Creative Movement

Toddlers through kindergarten classes will receive a 30 minute movement session each week with dance instructor Bambi Waters. Movement will help facilitate the development of large motor skills, listening skills, rhythm, and self control.

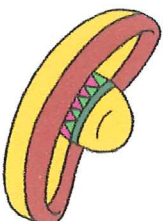

Storytelling

Ms. Jane Cunningham mesmerizes the children, ages 3 through 5, with her wonderful stories once a month.

Spanish

Children in pre-kindergarten and kindergarten participate in a 30 minute Spanish class each week. Kirsten McClain teaches the children through songs and games.

Philosophy

We believe the preschool years should be a time in which children feel successful, happy, and relaxed. We will strive to provide a stimulating environment in which children will learn through exploration and discovery. Our school is a ministry of First United Methodist Church.

We believe the years your child spends here should help to stimulate an awareness and love of God.

Goals

1. To develop the total child.
2. To develop positive and responsible relationships with other children and adults.
3. To offer age-appropriate activities that will encourage success and creativity.
4. To promote faith in God through prayer, chapel visits, and other religious activities in the classroom.
